Report by the Committee on the National Security Organization for the Commission on Organization of the Executive Branch of the Government. Subject: National Security Organization; 121 pp.

ABSTRACT

This report analyzes the Organization of National Security with respect to the several Executive departments most actively involved. The report included a chart of National Security Organization, the findings of the Committee, and the suggestions of the Committee concerning action and legislation deemed necessary to improve the effectiveness of the National Security Organization.

IDENTIFICATION OF DOCUMENT (author, form, addressee, title & length) Memorandum for the Director from Stanley J. Grogan, 2 pages, typed.			LOCATION: HS/HC-47 Item 3

ABSTRACT

This memorandum reviews the findings of the Eberstadt Committee as they apply to CIA. The Committee on National Security Organization felt that DCI should be responsible to NSC as well as the President. In this was, CIA would fall under the scrutiny of NSC. Some controversy over the need for another committee to examine CIA and National Security Organization seems to have evolved from the Eberstadt Task Force findings.
